Web.com Adds Over 50 New Domain Name Extensions to Inventory

Continues to Expand Top-Level Domain Name Inventory

JACKSONVILLE, Fla., Jan. 27, 2014 (GLOBE NEWSWIRE) -- Web.com Group, Inc. (Nasdaq:WWW), a leading provider of Internet services and online marketing solutions for small businesses, now has over 50 new domain extensions available for pre-registration and purchase. With the addition of these new domain name extensions, Web.com has increased its inventory of available website addresses, providing its small business customers more choices to register relevant domain names.

"New website address extensions, called generic top-level domains (gTLDs), have started to enter the marketplace at an accelerated rate," said Bob Wiegand, senior vice president, Domains for Web.com. "We continue to expand our new domain name inventory with the goal of helping small businesses find names that are not only memorable but also resonate with their target audience."

The following new domain names are now available for pre-registration or Sunrise registration:

<u>.ACADEMY</u>	<u>.CLOTHING</u>	<u>.EMAIL</u>	<u>.INSTITUTE</u>	<u>.PHOTOS</u>	<u>.TECHNOLOGY</u>

Customers interested in learning more about purchasing new and existing gTLDs may visit <https://newtlds.networksolutions.com> or <https://newtlds.register.com>. Certain terms and conditions apply to the purchase and pre-registration of domain names. Submission of a pre-registration request for a domain name does not guarantee registration. If multiple people request the same domain name, it may be auctioned to those who have pre-registered. Customers not awarded the requested domain name, for any reason, will be refunded the fees charged for pre-registration, minus the related application fee. The policies, terms and rules of the applicable registry shall also apply. Please refer to our Services Agreement for more details.
