Web.com Invites Palm Beach Area Small Businesses to Free Small Business Summit to Learn How to Build an Online Presence

Free Web Marketing Seminar to be Held at the PGA TOUR's Honda Classic

JACKSONVILLE, Fla., Feb. 18, 2015 (GLOBE NEWSWIRE) -- Web.com (Nasdaq:WWW), a leading provider of Internet services and online marketing solutions for small businesses, will host a free Small Business Summit designed to help small business owners in the greater Palm Beach area learn how to successfully increase their business' visibility and better market themselves online. The Small Business Summit will take place on Monday, February 23, 2015, from 8:30 a.m. - 11:30 a.m. on the grounds of the PGA National Resort and Spa in Palm Beach Gardens, Florida. Through Web.com's agreement with the PGA TOUR and as umbrella sponsor of the Web.com Tour, Web.com developed the Small Business Summit as a benefit to small business owners in communities across the country.

"In today's economy, small businesses are the growth engines that have led the economic success of the greater Palm Beach area," said Ed McEnroe, tournament director for the Honda Classic. "So, it is important that small business owners learn the ins and outs of what it takes to be successful online. With the help of our corporate partners, Web.com and Bank of America, we are pleased to help local small business owners continue to prosper and grow while also having the chance to enjoy the Honda Classic experience."

Natashya Rios, director of marketing at Web.com will lead the discussion at the Web.com Small Business Summit, and will share information and tools that small business owners can use to improve their cash flow and business performance; increase their online visibility; and optimize their online marketing efforts.

Topics and content at the Small Business Summit focus on ways small business owners can achieve a successful Internet presence, including the elements of a great website, how to determine if their website is working for them, increasing traffic to their website and business, mobile marketing and decoding how to efficiently market their business on Google, Facebook and Twitter.

"As part of our commitment to give back to the communities we serve, we are pleased to offer this event which is focused on helping small business owners improve their business model," said Rios. "Every day, Web.com helps millions of business owners address the challenges of building and maintaining an effective online presence that allows their businesses to grow. We expect a lively dialogue covering a range of key, timely topics that small business owners face when tackling this increasingly important digital opportunity."
