

Web.com Appoints New Chief Financial Officer

March 4, 2019

JACKSONVILLE, Fla., March 04, 2019 (GLOBE NEWSWIRE) -- [Web.com Group, Inc.](#) today announced the appointment of Christina Clohecy as the company's new chief financial officer (CFO). Effective today, Clohecy is responsible for Web.com's financial strategy and finance operations. She succeeds Jennifer Lada, who will leave the organization following a brief period to assist with the transition.

"Christina brings significant technology industry experience and has a proven track record for leading financial operations that support strategic business transformations. She is the perfect addition to the organization as we lead Web.com into its next phase of profitable growth and expansion," said Sharon Rowlands, Web.com's CEO and president. "On behalf of everyone at Web.com, I wish to thank Jennifer for her leadership while guiding Web.com through its successful acquisition by our sponsor, Siris Capital."

Clohecy brings more than 20 years of financial experience to Web.com. Most recently, she held leadership positions with Siris Capital portfolio companies Stratus Technologies, Inc., which she joined in 2016 as CFO, and Airvana. Previously, she held a series of positions at both Sycamore Networks Inc. and Vitronics Soltec.

Said Clohecy, "I am honored to help chart the new course for Web.com, which, under new ownership and leadership, will only improve upon its growth and solid reputation with customers."

About Web.com Group, Inc. | [Web.com](#)

Since 1997 Web.com has been the marketing partner for businesses wanting to connect with more customers and grow. We listen, then apply our expertise to deliver solutions that owners need to market and manage their businesses, from building brands online to reaching more customers or growing relationships with existing customers. For some, this means a fast, reliable, attractive website; for others, it means customized marketing plans that deliver local leads; and for others, it means customer-scheduling or customer-relationship marketing (CRM) tools that help businesses run more efficiently. Owners from big to small can focus on running the companies they know while we handle the marketing they need. To learn how this global company collaborates with customers and employees to achieve their potential, explore www.web.com or follow on Twitter at [@webdotcom](#) or on Facebook at [facebook.com/web.com](https://www.facebook.com/web.com).
