Web.com to Host Small Business Summit for North Florida Small Businesses

Join Web.com, CDW, FedEx and MasterCard for a Thought Provoking Small Business Expert Panel Discussion

JACKSONVILLE, Fla., Sept. 12, 2014 (GLOBE NEWSWIRE) -- Web.com (Nasdaq:WWWV), a leading provider of Internet services and online marketing solutions for small businesses, will host a free Small Business Expert panel discussion designed to help small business owners in North Florida learn how to successfully grow their business. The Web.com Small Business Summit presented by Sawgrass Marriott Golf Resort & Spa will take place on Friday, September 19, 2014, from 10:30 a.m. to 2:00 p.m. EDT in the Clubhouse at TPC Sawgrass in Ponte Vedra Beach, Florida. Through Web.com's agreement with the PGA TOUR and as umbrella sponsor of the Web.com Tour, Web.com developed the Small Business Summit as a benefit to small business owners in communities across the country.

Mark S. Lee, host of CBS Radio's "Small Talk" small business program, will lead a thought provoking panel discussion of small business experts from Web.com, CDW, FedEx and MasterCard at the Web.com Small Business Summit presented by Sawgrass Marriott Resort. Panel members will share information and tools to help small business owners focus on the strategies necessary to grow their businesses and successfully compete in today's marketplace.

"Time has proven that small businesses and entrepreneurs are today's best job creators and are essential to driving the economic success of North Florida," said David Brown, chairman, chief executive officer and president of Web.com. "To stay competitive in today's business environment, we believe it is critical that small business owners equip themselves with the necessary tools to be successful. That is one reason why Web.com is partnering with the PGA TOUR to help educate the small business owner and provide professional and quality online support."

The small business experts from Web.com, CDW, FedEx and MasterCard will emphasize the ways small business owners can continue to grow and successfully face the technological, marketing, financial, logistical and online challenges presented by today's marketplace.

"As part of our commitment to give back to the communities we serve, we are pleased to offer this event which is focused on helping small business owners improve their business model," said Brown. "Every day, Web.com and the other companies represented on the panel help millions of small business owners address the challenges that impact their businesses growth. We expect a lively dialogue covering a wide range of key and timely topics that small business owners face when tackling today's business challenges and opportunities."
